NARRATIVE:

Carroll has an extensive adult criminal history that began at the age of 23 and includes convictions for multiple possession of a controlled substance, assault with intent, multiple forgery, vehicle theft, multiple petty theft with specific prior, false identification to a peace officer and grand theft property. Carroll has served multiple state prison terms, the longest a six (6) year term for assault with intent. Carroll was released from state prison to the supervision of the Los Angeles County Probation Department on May 16, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Carroll absconded from post release community supervision (PRCS). Carroll qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance is defined as non-serious and non-violent under the California penal code. Carroll is required to register as a sex offender pursuant to PC290. His prior criminal history and current failure to comply with the terms of release make him a most wanted.
